- TITLE: Media Player

- GROUP NO: 7

- GROUP MEMBERS:

    1.17.01.04.113:Fariha Jalal Nishat
    2.17.01.04.119:Nazmus Shakib Shadhin
    3.17.01.04.126:Shahjalal MD. Yakub

- MOTIVATIONS:

    1.This project will improve our java programming skill.

    2.This project will help us to learn jFrame,java swing and java GUI systems.

    3.In this project we will find some difficulties like:

    a)Various types of media file format support;

    b)GUI;

4.We will add some features in this Media Player so that it will be different than other default pc media player.

- **PROJECT FEATURES**:
  1.Good user interface.
  2.User Buttons.
  3.Zoom in/out.
  4.Various media format support.
  5.Shortcut key.
  6.Media file Library.
  7.Tips for users.
